STOPS ANY ITCHING

Doan's Ointment Cures Eczema and Itching Piles. Maysville People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching piles, salt rheum-any skin eruption or skin itching. It is the cheapest remedy to use because so little of it is required to bring relief and a cure. Here is Maysville testimony to

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Cintment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. James Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp It broke out in spots, and sometimes the spots would appear on my forehead and temples The itching was particularly troublesome before a rain, and then was so intense that I could not sleep at night. It required only a short use of Doan's Cintment to cure the trouble and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyans On my recommendation she used Doan's Oint-ment and was absolutely cured."
